

*Seminar/workshop series: Enabling Children and Young People's Participation - the Role of Adults and their Relationship with Children.*

## **Lift Off Seminar: An open invitation for anyone who wants to develop research and programmes with The Centre**

***17 May 2017, UCLan Harrington Building - Room HA337, 4.00 to 5.30***

As a Centre we want to open up our work and decision making to enable anyone with an interest in children and young people's participation to bring ideas to the table and initiate research or research related programmes through us. The lift off seminar is the first in a regular series of events where we invite anyone with ideas for new pieces of work in the field of Child and Youth participation to come and explore how they could be developed with us. Anyone with either an idea for a piece of research, or just a general desire to get more involved with our work is welcome.

**Facilitated by Dan Moxon, Deb Crook and Yasmin Perry from the Centre for Participation**
