FASHION DESIGN
What is fashion?

Do you think you are fashionable?

Who do you think creates fashion?

What do you think makes someone, or something fashionable?
A LOOK DOWN THE CATWALK

- Look at the different shapes, textures, colours and materials?
- What do you like and dislike about the outfits?
- Are the similar to clothes you own or clothes you have seen in the shops?
- Why do you think they have been designed so differently?
- Which is your favourite and why?
You are going to design your own outfit on a recycled bottle or a toilet roll tube!

You must try to recreate one of your favourite things from the catwalk images!
Design your outfit on your worksheet.

You must include one of your favourite parts from the cat walk images.

Don’t forget to include…

**Colour**  **Material**  **Texture**  **Shape**

It would be a good idea to label your diagram!
Let’s make!

Using the craft materials and recycled fabrics, create your design on your toilet roll tube or plastic bottle.

Be careful when using scissors!
