News Presenter Career Link answer sheet for teachers, parents/carers.

1) Besides a news presenter, who else might work in the production of news?

Researcher, journalist, producer, assistant producer, camera operators, set directors etc.

2) What skills might these roles require?

Organisation, communication skills, time management, creativity, good judgement and decision making, empathetic, flexible, teamwork, resilient, knowledge, adaptability etc.

3) What skills make someone a valuable member of the team?

Any of the skills above along with less specific skills such as the ability to listen, patience, commitment, reliability, responsibility, respect and confidence.

4) What skills do you have that make you a good team member?

Accept any positive traits that the student feels they possess. Challenging them by asking why they think they have these skills. If they are struggling, ask them what they are good at and from this suggest some skills.

5) Do your classmates and teacher agree?

Discussion. Highlight any other positive skills you feel the student has that they have not recognised.
