

Medicine (MBBS) International Entry Requirements

Our degree in medicine (MBBS) will train you to become a professional, compassionate doctor. Offering an innovative approach to medical education, we focus on early patient contact - you'll see patients from the very first year in both community and hospital settings. This course requires 136 UCAS Tariff points unless stated, these points are calculated from your qualification grades.

Please view your country for qualifications and English language entry requirements for this course.

Algeria

Qualifications:

A Levels, International Baccalaureate or recognised Foundation required for entry.

English language entry requirements:

IELTS 7.0 with 7.0 in each component; or equivalent.

Angola

Qualifications:

A Levels at AAB or IB at 36 points.

English language entry requirements:

IELTS 7.0 with 7.0 in each component; or equivalent.

Argentina

Qualifications:

Successful completion of a recognised foundation programme; GCE A levels or IB equivalent.

English language entry requirements:

IELTS 7.0 with 7.0 in each component; or equivalent.

Armenia

Qualifications:

Certificate of Unified Examination 18/20

OR

One year of the 4 year Bachelor degree (Bakalavri Astichan) at a recognised Armenian university with a minimum average grade of 80%.

English language entry requirements:

IELTS 7.0 with 7.0 in each component; or equivalent.

Australia

Qualifications:

Usually a minimum ATAR score of 96 to include Biology and Chemistry.

In Queensland an overall position score of at least 3 to include Chemistry and Biology.

English language entry requirements:

IELTS 7.0 with 7.0 in each component; or equivalent.

Austria

Qualifications:

Reifeprüfungszeugnis/Matura (Mit Erfolg bestanden) 1.5 with no grades lower than 2 and at least two grades 1 and a grade 2 in Chemistry & one other science subject.

English language entry requirements:

Reifeprüfungszeugnis/Matura (Mit Erfolg bestanden) Grade 2 or IELTS 7.0 with 7.0 in each component; or equivalent.

Azerbaijan

Qualifications:

Successful completion of your Azerbaijan Certificate of Complete Secondary Education with grades of at least 4.0/5.0 AND a recognised foundation year.

English language entry requirements:

IELTS 7.0 with 7.0 in each component; or equivalent.

Bahrain

Qualifications:

Standard global entry requirements (A levels and IB); we do not accept national qualifications.

English language entry requirements:

IELTS 7.0 with 7.0 in each component; or equivalent.

Bangladesh

Qualifications:

Suggest 95% (can be considered for entry subject to global recognition of qualification secured and not just recognised by local exam boards). Refer to Regional Manager on case by case basis if unclear.

English language entry requirements:

IELTS 7.0 with 7.0 in each component; or equivalent.

Belgium

Qualifications:

Certificat d'Enseignement Secondaire Supérieur or Brevet van de Aanvullende Secundaire Beroepsschool with an average 8/10 or 16/20 and at least 16/20 in Chemistry and one other science subject.

English language entry requirements:

IELTS 7.0 with 7.0 in each component; or equivalent.

Belarus

Qualifications:

Diploma of Specialised Secondary Education with a minimum average or 5/5 or 9/10.

English language entry requirements:

IELTS 7.0 with 7.0 in each component; or equivalent.

Botswana

Qualifications:

A Levels or IB requirements.

English language entry requirements:

Botswana GCSE English grade A-B or IELTS 7.0 with 7.0 in each component; or equivalent.

Brazil

Qualifications:

Successful completion of a recognised foundation programme.

English language entry requirements:

IELTS 7.0 with 7.0 in each component; or equivalent.

Bulgaria

Qualifications:

Diploma za Sredno Obrazovanie (diploma of completed secondary education), Grade 5.4 Maximum grade: 6 plus 5.4 in Chemistry and one other science subject.

English language entry requirements:

High school English certificate grade 6 or IELTS 7.0 or equivalent.

Burma/Myanmar

Qualifications:

Successful completion of a recognised foundation programme;
GCE A levels or IB equivalent.

English language entry requirements:

China

Qualifications:

No direct progression appropriate - refer to School for consideration but likely referral to ONCAMPUS or MedSci FDE.

English language entry requirements:

IELTS 7.0 with 7.0 in each component; or equivalent.

Colombia

Qualifications:

Students taking the Bachillerato (Secondary School Certificates) such as Título de Bachiller Académico or Título de Bachiller Técnico are required to take a foundation course.

English language entry requirements:

IELTS 7.0 with 7.0 in each component; or equivalent.

Croatia

Qualifications:

Svjedodžba o Maturi (Matura Certificate) with an overall grade of 4.4 plus 4.2 in Chemistry and one other science subject.

English language entry requirements:

IELTS 7.0 with 7.0 in each component; or equivalent.

Cyprus

Qualifications:

Απολυτήριον 18.5
Some students receive results as a percentage: 18.5 is equivalent to 92.5% plus at least 18.5 in Chemistry and one other science subject.

English language entry requirements:

IELTS 7.0 with 7.0 in each component; or equivalent.

Czech Republic

Qualifications:

Maturita (Secondary school certificate), Grade 2 average with two grades 1 and a grade 2 in Chemistry and one other science subject.

English language entry requirements:

IELTS 7.0 with 7.0 in each component; or equivalent.

Cuba

Qualifications:

Recognised foundation year, A levels or IB.

English language entry requirements:

IELTS 7.0 with 7.0 in each component; or equivalent.

Democratic Republic of Congo

Qualifications:

A Levels or IB
French Baccalaureat with a minimum of 14/20

English language entry requirements:

IELTS 7.0 with 7.0 in each component; or equivalent.

Denmark & Faroe Islands

Qualifications:

Studentereksamen (STX) with an overall grade of 11 out of 13 (old system) or 12 out of 12 (new system) plus at least a grade 11 (old) grade 12 (new) in Chemistry and one other science subject.

English language entry requirements:

Studentereksamen english Grade 11 (old system) 9 (new system) or IELTS 7.0 with 7.0 in each component; or equivalent.

Egypt

Qualifications:

Standard global entry requirements;
We do not accept national qualifications.

English language entry requirements:

IELTS 7.0 with 7.0 in each component; or equivalent.

Estonia

Qualifications:

Gumnaasiumi Loputunnistus (School Leaving Certificate) with a minimum grade of 6 plus 80% from the Riigieksamid (State examinations) plus at least 6 in School leaving certificate or 80% plus at least 6 or 80% in Chemistry and one other science subject.

English language entry requirements:

Leaving Certificate with a minimum grade of 5 or IELTS 7.0 with 7.0 in each component; or equivalent.

Finland

Qualifications:

Finnish National Matriculation Grade 6 plus a grade 6 in Chemistry and one other science subject.

English language entry requirements:

Finnish National Matriculation english Grade 5.5 or IELTS 7.0 with 7.0 in each component; or equivalent.

France

Qualifications:

French Baccalaureat 15/20 to include chemistry and one other science at 14/20

English language entry requirements:

IELTS 7.0 with 7.0 in each component; or equivalent.

Georgia

Qualifications:

Recognised foundation year, A levels or IB.

English language entry requirements:

IELTS 7.0 with 7.0 in each component;
or equivalent.

Germany

Qualifications:

Abitur - 1.5 overall grade or higher or Abitur with and overall grade of 1 with at least 14 in chemistry and one other science subject.

English language entry requirements:

English, provided it has been taken as a Leistungskurs and a mark of 12 / sehr gut has been obtained.
or IELTS 7.0 with 7.0 in each component; or equivalent.

Ghana (360 Tariff Points)

Qualifications:

A Levels or recognised foundation programme.

English language entry requirements:

IELTS 7.0 with 7.0 in each component;
or equivalent.

Greece

Qualifications:

Apolyterion 18.5 plus at least 18 in Chemistry and one other science subject.

English language entry requirements:

IELTS 7.0 with 7.0 in each component;
or equivalent.

Hong Kong

Qualifications:

HKDSE at 5, 5, 5 in three elective subjects (which must include Chemistry).

Integrated or combined sciences are not accepted.

Plus at least 5,5,4,4 in the four core subjects including English Language at grade 5.

English language entry requirements:

HKDSE English Language Grade 5
or IELTS 7.0 with 7.0 in each component; or equivalent.

Hungary

Qualifications:

Erettsegi, with an average Grade of 5 out of in all subjects including Chemistry and one other science subject.

English language entry requirements:

IELTS 7.0 with 7.0 in each component;
or equivalent.

Iceland

English language entry requirements:

IELTS 7.0 with 7.0 in each component;
or equivalent.

India

Qualifications:

Minimum score of 85% from any State Board with the percentage based on the best of 4 core subjects to include English and Chemistry and two additional science subjects (for example: two from Biology, Physics or Psychology) with a minimum score of 85% in the science subjects.

English language entry requirements:

85% or above in Year 12 English - validity of 5 years
or IELTS 7.0 with 7.0 in each component; or equivalent.

Indonesia

Qualifications:

Successful completion of a recognised foundation programme.

English language entry requirements:

IELTS 7.0 with 7.0 in each component; or equivalent.

Iran

Qualifications:

Standard global entry requirements;
We do not accept all national qualifications.

English language entry requirements:

IELTS 7.0 with 7.0 in each component; or equivalent.

Iraq

Qualifications:

Standard global entry requirements;
We do not accept all national qualifications.

English language entry requirements:

IELTS 7.0 with 7.0 in each component; or equivalent.

Republic of Ireland

Qualifications:

Please refer to UCAS Tariff points.

English language entry requirements:

GCSE English grade B.

Italy

Qualifications:

Esame di Stato (Maturita), 90% plus at least 85% in Chemistry & one other science subject.

English language entry requirements:

IELTS 7.0 with 7.0 in each component; or equivalent.

Japan

English language entry requirements:

IELTS 7.0 with 7.0 in each component; or equivalent.

Kazakhstan

Qualifications:

A-Level qualifications
International Baccalaureate (IB) Diploma (see Appendix 1)
Recognised Foundation Year

English language entry requirements:

IELTS 7.0 with 7.0 in each component;
or equivalent.

Kenya

Qualifications:

A Levels or IB

English language entry requirements:

IELTS 7.0 with 7.0 in each component;
or equivalent.

Kosovo

Qualifications:

A-Level qualifications
International Baccalaureate (IB) Diploma
Recognised Foundation Year

IELTS 7.0 with 7.0 in each component;
or equivalent.

Malawi

Qualifications:

A Level requirements - Cambridge Overseas Higher School Certificate (COHSC) with grade AAB

English language entry requirements:

IELTS 7.0 with 7.0 in each component;
or equivalent.

Malaysia

Qualifications:

SPMs may be considered in lieu of GCSEs on a subject basis (1A, 2A grades required).

STPM is equivalent to Alevels on a grade for grade basis. Malay and General Papers not accepted. Chemistry and one other science must be studied.

OR

Senior Middle and Vocational Unified Examination (UEC) grades of AAAAAA at (to include Chemistry and one other science and excluding Chinese, Bahasa Malay and Book Keeping and Commerce).

English language entry requirements:

IELTS 7.0 with 7.0 in each component;
or equivalent.

Malta

Qualifications:

Matriculation Certificate Grade A Plus grade B in Chemistry plus one other science subject.

English language entry requirements:

IELTS 7.0 with 7.0 in each component; or equivalent.

Mauritius

Qualifications:

A level or IB equivalent.
French Baccalaureat 15/20 to include chemistry and one other science at 14/20

English language entry requirements:

IELTS 7.0 with 7.0 in each component; or equivalent.

Mexico

Qualifications:

Students holding the Bachillerato would normally be expected to undertake a Foundation programme.

English language entry requirements:

IELTS 7.0 with 7.0 in each component; or equivalent.

Moldova

Qualifications:

Moldovan Baccalaureate Diploma with a minimum of 9 plus at least a 9 in Chemistry plus one other science subject.

English language entry requirements:

IELTS 7.0 with 7.0 in each component; or equivalent.

Morocco

Qualifications:

Standard entry requirements;
We do not accept national qualifications for this level.

English language entry requirements:

IELTS 7.0 with 7.0 in each component; or equivalent.

Mozambique

Qualifications:

A Levels or IB

English language entry requirements:

IELTS 7.0 with 7.0 in each component; or equivalent.

Namibia

Qualifications:

Cambridge Overseas Higher School Certificate (COHSC) / GCE A level
Minimum of 6 Highers with 4 subjects at Grade 1 including Physical Sciences, Bioogy and one other science subject. 2 Highers at Grade 2/3

English language entry requirements:

IELTS 7.0 with 7.0 in each component; or equivalent.

Nepal

Qualifications:

85% from all recognised boards.

English language entry requirements:

IELTS 7.0 with 7.0 in each component;
or equivalent.

Netherlands

Qualifications:

Voorbereidend Wetenschappelijk Onderwijs (VWO) Grade 9 plus grade 9 in Chemistry and one other science subject.

English language entry requirements:

IELTS 7.0 with 7.0 in each component;
or equivalent.

Nigeria

Qualifications:

A Levels or IB

English language entry requirements:

IELTS 7.0 with 7.0 in each component;
or equivalent.

Norway

Qualifications:

Vitnemål fra den Videregående Skole (formerly Examen Artium (-1981) with grade of 5 plus 5 in Chemistry and one other science subject.

English language entry requirements:

IELTS 7.0 with 7.0 in each component;
or equivalent.

Oman

Qualifications:

Standard global entry requirements;
We do not accept national qualifications for this level.

English language entry requirements:

IELTS 7.0 with 7.0 in each component;
or equivalent.

Pakistan

Qualifications:

Higher Secondary School Certificate (HSC) with 95% average or above. Students should have 95% minimum in Chemistry and one other science.

(Most students will be following the Science Stream; Pre-Medical or Pre-Engineering.)

1050 - GCSE

1100 - A-Level 95%

English language entry requirements:

IELTS 7.0 with 7.0 in each component;
or equivalent.

Palestinian Territories

Qualifications:

Standard global entry requirements;
We do not accept national qualifications for this level.

English language entry requirements:

IELTS 7.0 with 7.0 in each component;
or equivalent.

Philippines

Qualifications:

Foundation Year is normally required in addition to the High School Diploma/Certificate.

English language entry requirements:

IELTS 7.0 with 7.0 in each component; or equivalent.

Peru

Qualifications:

Foundation Year is normally required

English language entry requirements:

IELTS 7.0 with 7.0 in each component; or equivalent.

Poland

Qualifications:

Matura examination (Swiadectwo Dojrzalosci) with an overall 80% (to be calculated) and at least a grade 6 (70%) in Chemistry plus one other science subject.

English language entry requirements:

Matura Advanced English 80% or IELTS 7.0 with 7.0 in each component; or equivalent.

Portugal

Qualifications:

Certificado de fim de Estudos Secundários (previously Certidão do Décimo Segundo Ano) 17/20 including Chemistry and one other science subject.

English language entry requirements:

Ensino Secundario (English) 16/20 or IELTS 7.0 with 7.0 in each component; or equivalent.

Qatar

Qualifications:

Standard global entry requirements;
We do not accept national qualifications for this level.

English language entry requirements:

IELTS 7.0 with 7.0 in each component; or equivalent.

Romania

Qualifications:

Bacalaureat Grade 9 with grade 9 in Chemistry plus one other science taken at the external test to get the Diplom Bacalaureat.

English language entry requirements:

C1 from the Bacalaureat or IELTS 7.0 with 7.0 in each component; or equivalent.

Russia

Qualifications:

Certificate of Secondary (Complete) General Education (Attestat) PLUS a recognised foundation year programme.

English language entry requirements:

IELTS 7.0 with 7.0 in each component; or equivalent.

Rwanda

Qualifications:

Standard A level requirements
Standard IB requirements
Or successful completion of a recognised foundation programme after completion of the Advanced General Certificate of Secondary Education.

English language entry requirements:

IELTS 7.0 with 7.0 in each component;
or equivalent.

Saudi Arabia

Qualifications:

Standard global entry requirements;
We do not accept national qualifications for this level.

English language entry requirements:

IELTS 7.0 with 7.0 in each component;
or equivalent.

Seychelles

Qualifications:

Cambridge Overseas Higher School Certificate (COHSC)
or diploma from Seychelles Polytechnic (DDD)

English language entry requirements:

IELTS 7.0 with 7.0 in each component;
or equivalent.

Singapore

English language entry requirements:

IELTS 7.0 with 7.0 in each component;
or equivalent.

Slovakia

Qualifications:

Maturita average score of 1 overall including Chemistry and one other science subject.

English language entry requirements:

Maturita Grade 1 English
or IELTS 7.0 with 7.0 in each component;
or equivalent.

Slovenia

Qualifications:

Maturita Grade 2 English or IELTS 6 or equivalent.

English language entry requirements:

IELTS 7.0 with 7.0 in each component;
or equivalent.

South Africa

Qualifications:

Students would require AAABB or 77766 - subject to the scoring method implemented at their School

English language entry requirements:

IELTS 7.0 with 7.0 in each component;
or equivalent.

The subjects would include Maths, English, Physical Sciences (combining Chemistry and Physics with the balance of such unknown), Life Sciences.

Grade A equates to 80 to 100%

Grade B equates to 70 to 79%

Chemistry can be a B grade subject.

South Korea

Qualifications:

Standard A level requirements
Standard IB requirements
OR
Recognised Foundation Programme

English language entry requirements:

IELTS 7.0 in each component;
or equivalent.

Spain

Qualifications:

Título de Bachillerato Grade 8 (out of 10) plus 8 in Chemistry and one other science subject.

English language entry requirements:

IELTS 7.0 with 7.0 in each component;
or equivalent.

Sri Lanka

Qualifications:

Sri Lanka General Certificate of Education (Advanced) 85% overall score
Where a specific subject is required for entry to the degree programme, 60% must be achieved in this subject.

English language entry requirements:

IELTS 7.0 with 7.0 in each component;
or equivalent.

Sudan & South Sudan

Qualifications:

Recognised Foundation, IB, or A-levels.

English language entry requirements:

IELTS 7.0 with 7.0 in each component;
or equivalent.

Swaziland

Qualifications:

Cambridge Overseas Higher School Certificate (COHSC)
- A Levels.

English language entry requirements:

IELTS 7.0 with 7.0 in each component;
or equivalent.

Sweden

Qualifications:

Avgångsbetyg / Slutbetyg från Gymnasieskola, Grade MVG (pass with distinction) or higher if 3 years at upper secondary school completed plus at least MCG in Chemistry and one other science subject or other science subject.
