

SPORT SCHOLARSHIP APPLICATION FORM

For Entry in September 2024

Please complete the application form to demonstrate how you meet the Sports Scholarship criteria and return it via email to sportscholarships@uclan.ac.uk before the deadline (see below)

The sports scholarship programme is high in demand and limited places are available. It is highly recommended that applications are submitted as soon as you have received an offer from the University. If the application is received before 14th April 2024 decisions should be made no later than 26th April 2024.

The panel meet frequently to assess applications and provide timely decisions. The selection process is competitive; meeting the criteria is not a guarantee of being awarded a Scholarship. If there are places still available after this initial deadline the application process will remain open.
