Welcome to our Burnley Campus
A self-guided walking tour
Welcome to Burnley

Welcome to UCLan’s town centre campus in the heart of Burnley, and to a friendly, bustling town centre, traditional yet with a young and lively atmosphere.

Burnley, once named the friendliest town in the UK, is a growing university town and is surrounded by unrivalled countryside.

Our Burnley Campus features bright, spacious buildings and cutting-edge facilities. We’re situated across two sites: Princess Way (shared with Burnley College) and Victoria Mill, an iconic Grade II listed building located in the historic Weavers’ Triangle area. It’s a compact, friendly campus where you’ll benefit from small class sizes and a high level of support - you’ll really get to know your tutors and the other students on your course.

UCLan Burnley offers students high-quality courses and facilities with busy bars, restaurants and shops for your downtime. There’s also Burnley Football Club, REEL cinema, Burnley Mechanics Theatre, an indoor inflatables centre, several sports centres and art galleries. And with 80 percent of the town rural, there’s plenty of green space to escape to when you need a break from your studies.

If you fancy a change of scenery, you can hop in the car, bus or train and head out to nearby Manchester, Liverpool and Leeds, cities renowned for their culture, shops and nightlife. And if you’re something of an avid climber, The Lake District and The Yorkshire Dales are also easily accessible.

Self-guided tour directions

We have designed this self-guided walking tour to be used with our Burnley Campus map.

We recommend that you start and end your tour at Victoria Mill on Trafalgar Street. However, you can use the map and building references to start the tour at any point.

Victoria Mill is an iconic grade II listed building, with plenty of flexible learning spaces and areas to relax with a coffee in between lectures.

From the entrance of Victoria Mill, turn left and to the bottom of the road with the building on your left.

Turn right after the car park and walk up the stairs. Turn right again, going up some more stairs and you will see Sandygate Mill on your left-hand side. Sandygate Mill is home to the UCLan Library.

Go back down the stairs and follow the direction you came. Turn right after the second set of stairs and use Sandygate Bridge to cross over the Leeds and Liverpool canal. This will take you to Sandygate square and you will find our student accommodation building, Sandygate Halls.

Sandygate Halls is a new hall of residence owned by Burnley Borough Council, with the University providing the day-to-day services. Sandygate has 136 en-suite bedrooms, within 29 flats. Each flat has a communal kitchen, which is well-equipped with a dining table and chairs, cooker, fridges, freezers, microwave, kettle, toaster and plenty of cupboard space.

Cross over the squad towards Sandygate and then make your way down the hill until you get to the main road, Queen’s Lancashire Way (B6240). You will see Newtown Mill on your right-hand side. Cross over the road at the traffic lights, turn left and walk down St. James’s Street.

Recently, work has started on a £2.5m heritage-led regeneration scheme in Burnley to turn this part of the town into an alternative retail and creative quarter. The regeneration is being funded by Burnley Council, UCLan, Historic England and local businesses.
