Please ensure you refer to the latest information provided by the University concerning COVID-19, as some measures within this guide may not be applicable (eg visitor/guest policies).
Welcome

Student Accommodation Service

Living at UCLan offers you a guarantee of value for money accommodation, a safe and comfortable living environment and a vibrant and inclusive halls community.

Complaints and Suggestions 38
Government policy dictates that university accommodation must be self-funding; in other words all the University’s costs in relation to building, maintaining and managing the halls of residence must be met in full from rents. Nevertheless, the University provides good quality accommodation at a price which compares very favourably with other institutions, and we continually strive to ensure that our students receive the best possible value for money.

The University of Central Lancashire is committed to the Universities UK Code of Practice for the Management of Student Housing. The Universities UK Code of Practice student guide can be found at: universitiesuk.ac.uk
How to Contact Us

Contacting Your Residences Team

Each hall has an on-site residences team led by a Residences Officer and an Assistant Residences Officer. The Residences Officers can be contacted during the day between 9am-5pm and an appointment can be made by visiting their office or calling them to arrange a time out of these hours if necessary.

The halls residences team ensure you get the most out of living in UCLan halls, and events are run throughout the year to promote inclusion and build a community which you will be proud to be a part of.

Roeburn Office is located next to the Launderette at Roeburn Hall and can be contacted using RoeburnHall@uclan.ac.uk

Whitendale Office is located at the entrance gates to Whitendale Hall and can be contacted using WhitendaleHall@uclan.ac.uk

Douglas Office looks after the rest of the halls as indicated below and is located on the ground Floor of Douglas Hall. The email addresses are below:

Ribble: RibbleHall@uclan.ac.uk
Douglas: DouglasHall@uclan.ac.uk
Derwent: DerwentHall@uclan.ac.uk
Pendle: PendleHall@uclan.ac.uk

The telephone number for all of the residences offices is 01772 892079. You can report any maintenance on this number 24 hours a day.

Contacting the Student Accommodation Service

Visit our main office:
UCLan Student Accommodation Service
Room 013, Students’ Union Building
University of Central Lancashire, 24 Fylde Rd, Preston PR1 2TQ

Opening hours:
Monday to Thursday: 9am to 5pm.
Friday: 9am to 4pm.

Any type of accommodation enquiry:
Telephone Student Accommodation 01772 892529
Email StudentAccommodation@uclan.ac.uk

Emergencies

Accommodation and Security staff all work together to help you with any problems and to maintain the Conditions of Residence.

Any type of emergency at any time: telephone Security (01772) 892068 or telephone University Emergency Number 333 from an internal phone.
Useful Things To Know
Before You Arrive

Insurance
The University strongly advises that you take out a personal insurance policy to cover theft / damage to your property contained in your room and on your person.
Please report any such activity within the halls to the Security Lodge in Harrington Building. Telephone 01772 892068.

Inventory
(This is a statement of the condition of your room, furnishings and fittings). Information regarding your online inventory will be issued to you after you arrive. It is important that you check and agree this inventory, and note any discrepancies as requested.
Please do not remove University property from either your room or residence, as you will be deemed responsible for any subsequent damage/loss.

Mail
Mail is delivered to your flat letterbox on the ground floor of your stairwell by external service providers - Royal Mail or couriers. All mail should be clearly marked with your name, flat and room number and sent to the following addresses:
Derwent Hall: 5 Victoria Street, Preston, PR1 7QR
Douglas Hall: 3 Victoria Street, Preston, PR1 7QR
Ribble Hall: 13 Victoria Street, Preston, PR1 7QS
Roeburn Hall: Pedder Street, Preston, PR2 2QQ
Whitendale Hall: Harrington Street, Preston, PR1 7BG
Pendle Hall Main Building Flats 1-42:
Pendle Hall, Victoria Street, Preston, PR1 7AB
Pendle Hall Brook Street Flats 1-15:
Pendle Hall, Brook Street, Preston, PR1 7DE

Please Note: University staff are unable to accept parcels or mail on behalf of students. At the end of the Accommodation Contract in July all mail is returned to sender and it is your responsibility to make sure mail is redirected.

Amazon Lockers are available in Students’ Union.
Launderettes

There are two launderettes on campus. Residents living in Derwent, Douglas, Pendle, Ribble and Whitendale Halls can use our Pagoda Laundry which is located next to Eden Building, opposite Brook Building. Residents living in Roeburn Halls can use our Roeburn Laundry located in the courtyard, opposite the Residence Office. Both laundrettes can be accessed 24/7 using the key cards you use to access your flats.

The machines are pay-to-use and there are two ways you can pay: by downloading the Circuit Laundry app onto your phone or by purchasing a top-up card at the machine in the Security Lodge opposite the Laundry. You can top-up the money on your account by card from inside the laundrettes.

Both laundrettes are run by an external company, Circuit Laundry. Their contact details are publicised at both locations, and you must report any problems with the machines to them directly. For more information, please visit circuit.co.uk

We also have ‘LaundryView’ where you can go online and check the availability of washers and dryers in your laundry. circuit.co.uk/circuit-view

Bicycles

Bicycles must not be stored in bedrooms, hallways or stairwells because they obstruct the fire exits and can cause damage. They will be removed from the building in order that the fire safety regulations can be maintained. Secure bicycle storage is available and is situated outside Roeburn and Whitendale Halls. Further details can be obtained by emailing the Green Team via greenteam@uclan.ac.uk

Car Parking

Parking is very limited on campus and is not normally available to students who live on campus. For more information on University permits and visitor parking telephone 01772 892066.

Transport

The main public transport routes through the campus are Adelphi Street and Fylde Road with buses available to the city centre and beyond. Local transport is provided by Preston Bus with longer journeys by Stagecoach.

Banking

All major banks and building societies are represented in the city centre. Cash-points are available outside Foster Building, Harrington Building and the Students’ Union Building on Fylde Road. Be aware of your surroundings when withdrawing cash from ATMs, especially during the hours of darkness.

Health and Medical Services

It is vital that you register with the UCLan Medical Centre as soon as possible after your arrival. The Medical Centre is located in Foster Building and is open daily. The telephone number is 01772 892598 and if out of hours this will direct you to either the emergency number 111 or Primary Care on 01772 788058.
**Internet, WiFi, TV and Flat Telephones**

**Internet:** Internet access is both hard-wired and wireless. For all issues with your internet connection, please contact the LIS Helpdesk on 01772 895355.

**Television and Licences:** Following the UK Digital switchover, television aerial points in UCLan halls of residence are not supported for television services. Therefore, televisions and set-top boxes are unlikely to work in UCLan halls of residence rooms. To connect to television channels in halls you should use your laptop, pc, tablet or phone to access a number of services such as iPlayer and TV catch-up.

If you do bring a television onto the premises then you need to purchase an individual TV Licence, and you may still need a TV Licence if viewing TV programmes on a device other than a television, so for more information visit: tvlicensing.co.uk/students

Television are provided in the lounge/kitchen area in Ribble and Whitendale Premium Standard Flats and Roeburn Communal Spaces. These televisions have had the TV License paid for by the Student Accommodation Service - please note this License covers the televisions in the kitchens only, not for individual rooms.

**Flat Telephone:** Your flat is equipped with a telephone in the hallway for the use of the whole flat to contact Security ext. 2068, Student Accommodation Service ext. 2529 and various other internal numbers including your Residences Officers. All adapted rooms will have their own telephone with a voicemail facility. If you have any problems with your flat telephone please contact LIS on 01772 895355 for assistance.

---

**Flat Inspections**

All rooms/flats in University halls are inspected by the Accommodation staff prior to you taking up residence and the condition of your accommodation will be notified to you via the room/flat inventory. You will be emailed and given advance notice of any inspections of your room, which are planned to take place during the academic year.

Your room/flat will also be inspected when you vacate halls and if any recharges are to be made because of damage, etc., these will be notified to you via email, together with details of the appeals procedure.

**Remember: all flat occupants have a responsibility to report communal damage as it may occur.**
What to Bring to Halls

Do not bring too much - you can buy most supplies cheaply and easily once you are here. There may be limited storage space in your kitchen, especially fridge and freezer space, so plan your shopping accordingly.

**Essentials**

You must provide your own:
- Bedding including pillows
- Towels and tea towels
- Toiletries, including toilet roll
- A small amount of crockery and cutlery, bottle openers, and can openers.
- Pots, pans and basic utensils
- Other small electrical items such as irons, sandwich toasters, etc. (But please note that toasters and kettles ARE supplied in all halls’ kitchens).

**All electrical appliances should be rated for 220-240 volts and compliant with the relevant British Safety Standards.**
If You Need Something

Reparis / Maintenance
If anything in your accommodation needs to be repaired or replaced, please telephone: 01772 892079
(In an emergency don’t leave a message - call Security on 01772 892068).
You may also email your request to your halls email address given on page 5.

Your Residences Offices are located as follows:
Whitendale Hall: At the entrance gates
Roeburn Hall: Next to the launderette
Ribble, Derwent, Douglas and Pendle Halls: Within Douglas Hall

After you have requested a repair, your Residences Team will respond to your request as soon as possible. If a repair is needed in your room, they will first knock and wait for you to reply. If you are not in, they will enter, assess the work required, and if possible will try to complete the repair straight away, in order that you receive a speedy and efficient service.

Sometimes a University contractor will need to be called to complete a repair. If you have any queries or concerns regarding the progress of a job, please contact your Residences Officer.

If an emergency occurs out of hours please contact Security on 01772 892068 who will call out a contractor if necessary. As part of the access system to the single occupancy flats in Pendle Hall, door bells have been installed with a bell push situated in the flat lobby. Staff requiring access to these flats will knock on the flat door and if they receive no response they will enter the lobby and ring the bell to alert the occupant.

Security
Our Security team maintains a presence at the halls on a 24 hour basis and they are pleased to help with any enquiries or issues you may have. They patrol the halls of residence regularly, responding to any incidents that occur, and are empowered to enforce the Conditions of Residence. They maintain a 24/7 service and can be contacted by ringing ext. 2068 from your flat telephone or 01772 892068 from a mobile phone.

In case of emergency, Security can also be contacted by calling extension 333 from any internal University telephone.

The Security Control Centre is based in Harrington Building. Security can advise you on ways to keep safe, including preferred routes for walking to and from the city centre.

Never let strangers into the halls and always lock your door and secure windows when you are not in your room. Please note the window stays are there to prevent the window being blown completely open during windy weather and are not a security device to prevent a burglar gaining access. In an emergency Security can be contacted at any time.
Residences Offices
Whitendale Residences Office: 01772 892079 or 2079 (internal)
Roeburn Residences Office: 01772 892079 or 2079 (internal)
Douglas/Derwent/Ribble/Pendle Residences Office: 01772 892079 or 2079 (internal)

Emergencies
Calling from your mobile 01772 892068 (Harrington Security Lodge)
Calling from an internal phone 333 (The University Emergency Number)
For any other problems at your property, please ring 01772 892068 (Harrington Security Lodge). If ringing internally please call 2068. Explain your problem, giving your name and the address of the property.

Community Living

Cleaning
Accommodation cleaners will clean the stairwells and landings in your hall but you are responsible for maintaining the cleanliness of your room and the communal areas of your flat. All flat occupants may be charged if extra cleaning is required in the communal areas.

Kitchens
You are responsible for cleaning after cooking and removing any rubbish. You will be charged for excess cleaning if kitchens are left in an unacceptable condition. Be aware of food hygiene, and do not store any uncovered food unless it is stored in a plastic bag or container to eliminate cross contamination. Do not store uncooked meat/poultry in the fridge alongside or above food items that will be eaten raw, such as cheese, salad, etc.

Environment and Sustainability
The University is committed to energy conservation and it is the responsibility of everyone to conserve energy where they can. This can be achieved by simple actions such as turning off lights and other electrical items when leaving your room and ensuring that the correct temperatures are used when cooking. Ensure that all fridge and freezer doors are closed and that there is not a build-up of ice that prevents closure, if in doubt contact your Residences Office.

The times for hot water and flat heating have been set to deliver a plentiful supply of both when they are needed during reasonable times and to conserve fuel supplies. The fuel consumption of the flats in the halls of residence is monitored and compared to what is considered to be reasonable consumption. The current average monthly costs for energy and water, per flat, can be seen below:

<table>
<thead>
<tr>
<th>Hall</th>
<th>Electricity (£)</th>
<th>Gas (£)</th>
<th>Water (£)</th>
</tr>
</thead>
<tbody>
<tr>
<td>Roeburn</td>
<td>145.15</td>
<td>N/A</td>
<td>44.58</td>
</tr>
<tr>
<td>Whitendale</td>
<td>40.64</td>
<td>33.00</td>
<td>50.21</td>
</tr>
<tr>
<td>Ribble, Derwent, Douglas</td>
<td>43.57</td>
<td>56.53</td>
<td>38.49</td>
</tr>
<tr>
<td>Pendle</td>
<td>14.13</td>
<td>21.33</td>
<td>13.87</td>
</tr>
</tbody>
</table>

Any excessive consumption will be investigated and may be followed with a written warning to the student(s) concerned. If this warning is not heeded, then an excess charge may be subsequently levied on the student(s) responsible.

Excessive energy consumption is usually caused when a student uses an unauthorised extra heating appliance, or one student takes excessively long showers and depletes the hot water supply for other flatmates.
Recycling

Students are encouraged to recycle their waste packaging etc., via the recycling bins that are strategically placed around the halls of residence. To enable you to carry your recycling to the bins you will find a Blue Bag Scheme carrier bag in your kitchen.

Blue Bag Scheme

Use the Blue Bag to transport your recyclables to the external Recycle Bins which are emptied regularly.

We recycle:

- Cardboard (Flattened please)
- Paper Tins & Cans (Flattened please)
- Plastic & Glass bottles (Rinsed please)

Enquiries - Recycling Team
Email: WasteAndRecycling@uclan.ac.uk

There should only be one bag of rubbish in any kitchen at any time and any full bag of rubbish must be disposed of as soon as is practicable. Waste and Recycling staff will report the location of any domestic refuse that is found discarded outside accommodation blocks, and culprits will face disciplinary action under the Conditions of Residence.
Accommodation Safety

Fire Safety

If the fire alarm sounds:

**DO** vacate the building as quickly as possible, even if you think that there is not a real fire

**DO** contact Security staff if you know the cause and location of the activation

**DO** co-operate with Security staff and/or the Fire Brigade

**DO NOT** return until you are advised it is safe to do so

If you discover a fire:

**DO** make sure fire doors are closed

**DO** vacate the building as quickly as possible

**DO** activate the fire alarm at the nearest break glass unit if it has not already been activated by the flat smoke/heat detectors

**DO NOT** stay behind to try and fight a real fire yourself

**DO NOT** return until you are advised it is safe to do so

Every student has a responsibility in the avoidance of fire risk and must take notice of all advice given, written or verbal, by Fire Officers, Security and Accommodation staff. The Security staff take initial control of incidents in the halls of residence and all students must act upon their advice and instructions at all times and not hinder them or the emergency services in the execution of their duties. Fire blankets and fire extinguishers are provided in cooking areas and the extinguishers are of the foam variety.

Failure to evacuate is a severe breach of your Conditions of Residence and will result in disciplinary action.

Fire escapes: the maintenance of the means of escape is part of your responsibility in fire risk avoidance.

**DO NOT** block any fire exits

**DO NOT** block hall corridors

**DO NOT** leave anything in stairways, landings and hallways

**DO NOT** block the interconnecting fire doors between flats

**DO** ensure that electrical cables and leads do not cause trip hazards in the communal areas

**DO NOT** tamper with fire detection equipment. This equipment is there to protect the lives of all the occupants as well as staff and fire fighters

**DO NOT** cover or disable smoke/heat detectors, or remove the warning sticker

**DO NOT** attempt to disconnect smoke/heat detectors

**DO NOT** tamper with fire extinguishers

**DO NOT** wedge open fire doors, i.e. the kitchen, flat and room doors

- If you tamper with fire detection equipment someone could lose their life as a result
- If you tamper with fire detection equipment you are committing a criminal offence and could be investigated by the police and prosecuted
- If you tamper with fire detection equipment you could jeopardise your future at the University

Students who activate Fire Alarms due to carelessness or ignore the Fire Regulations will also find that they face disciplinary repercussions. Repeated failures to observe Fire Regulations can also result in more serious disciplinary actions from the University.
Don’t activate the fire alarm through careless or thoughtless behaviour:

**DO NOT** cook in your room

**DO NOT** leave cooking unattended

**DO NOT** cook using a dirty grill pan or hob

**DO NOT** wedge open fire doors – ie, the kitchen, flat and room doors

**DO NOT** spray aerosols directly beneath the detector in your room or the corridors of your flat or on the stairs (ie anywhere there are smoke/heat detectors)

By following the few simple procedures above, the number of accidental activations will be reduced, which in turn could help save lives at a real fire elsewhere.

Tampering with smoke/heat detectors, extinguishers and other firefighting equipment is a criminal offence.

**Electrical Safety**

You must permit the University to inspect any item of electrical equipment belonging to you and/or kept on the premises and make such items of equipment available for inspection if required to do so by the University. Any item of electrical equipment which the University reasonably determines to be unsafe or undesirable must be removed from the premises.

Any electrical appliance used for cooking must not be left unattended for any reason. This includes appliances with automatic cut-offs and it must not be presumed that such systems will work.

**All electrical appliances and leads must comply with BS1363.**

To avoid danger from electric shock or fire:

- **DO NOT** use personal electrical appliances which are faulty or dangerous. This includes cables and leads
- If you are in any doubt as to the safety of your equipment, the University will give you advice
- **DO NOT** overload sockets by plugging in too many appliances at once, and remember that joining cables or wires together is **extremely dangerous**
- Cooking of food is not permitted in bedrooms
- Your electrical plugs and sockets must be compatible with the socket outlets in the halls, which are to British Standard Specification. Many electrical adapters and plugs attached to appliances brought into the country from abroad are dangerous. Examples include ½ pin plugs and flat pin plugs. Please replace all non-British Standard plugs with ones to the correct specification.
- The University can impose an inspection, at the resident’s cost, of any appliance that is deemed unsafe, and remove any such items from the accommodation
- All extension leads must be protected with a correctly rated fuse
- All electrical items brought into the country must conform to British Standard Specifications
- Be aware that the voltage used in the UK is 220 to 240v and any appliance must be able to operate on this voltage
Gas Safety

If you smell gas:

**DO** stay calm

**DO** open doors and windows

**DO** remove any pots or pans and food from the cooker

**DO** make sure all gas appliances are turned off

**DO** extinguish all naked flames

**DO** use your flat phone (**not a mobile phone**) to call the University Emergency Number 333 or Security 2068

**DO** evacuate the flat

**DO** keep people away from the area

**DO NOT** turn on or switch off any lights or electrical switches/appliances as this may cause a spark

**DO NOT** cause a naked flame to be ignited in the vicinity

Every gas installation and appliance is subjected to an annual safety test and all necessary maintenance will be carried out during this safety test. All these gas safety certificates are available for residents to view.

If you have concerns over the performance of any gas appliance please use your flat telephone to inform the Student Accommodation Service on 2526 during office hours and Security on 2068 out of office hours, and we will arrange for an inspection.

---

Personal Safety

**Always secure your door and windows when not in your room.**

Occasionally, unauthorised people may try to access the halls. Such people should be actively discouraged; it is a disservice to yourself and your fellow students to allow them to enter or remain in the residences. Remember, it is your property and amenities that are threatened. If in doubt, contact Security on 01772 892068 straight away.

Money and valuables should never be left unattended in public areas. **Always keep your room locked when you are not in it.** If you don’t, not only could you suffer considerable personal loss, you are also responsible for the loss or damage to any University property in your room.

**See also the advice regarding insurance and crime prevention:**

Be aware that campus-wide CCTV surveillance is in operation on all University buildings and that this is monitored 24 hours per day. If you require any further information regarding health and safety issues and statutory testing information pertaining to your accommodation (such as information regarding fire risk assessments, fire extinguishers, means of escape, fire alarms, emergency lighting, portable appliance testing, legionella, asbestos, notifiable diseases, etc) please contact your Residences Officer.

**Crime Prevention Advice:**

- Secure ALL doors and windows when your room / flat is unoccupied even if only for a short time
- Using your home address, postcode all valuable property using a UV marker or an engraver and include your house number
- Never put expensive items in view of windows
- Carry debit/credit cards with you at all times
- Report crime or damage to the Police and the University, this enables early action and repair
- Report strangers found wandering in residential areas on campus to Security
Access to Rooms
If you have requested a repair, a member of staff or authorised contractor will respond as soon as possible, and as detailed in the Response Times for Repairs, which is included at the end of this handbook. If the repair is needed in your room, they will first knock and wait for you to reply. If you are not in, they will enter, assess the work required, and if possible will try to complete the repair straight away, in order that you receive a speedy and efficient service.

Health and Safety Visits by Staff and Contractors
We are legally obliged to visit the communal areas of your flat each week to check on such items as the emergency lights, the fire extinguishers and adherence to Fire Regulations. Periodically, contractors will also need to visit your residences in order to carry out vital work to ensure that the University is complying with legislation to safeguard your health and safety whilst you are in residence.

For instance, there is a planned maintenance programme to help prevent any outbreak of Legionnaires Disease. You will be given 7 days’ notice of any visits by contractors who will be carrying out this statutory maintenance. In some circumstances, however, immediate access to your room may be required by staff, authorised contractors or emergency services personnel, eg, during fire alarm activations, water leaks, urgent maintenance repairs, unattended music systems playing loudly, etc.

All authorised holders of master keys are permitted to enter a room in such urgent circumstances, if, having knocked on the door, there is no reply. University staff and authorised contractors have master keys to access storage and maintenance areas and to unlock rooms in case of emergencies.
Heating

Whitendale, Ribble, Derwent, Douglas and Pendle Halls:
The room heating in all halls (other than Roeburn) is by gas boiler and these are pre-set for both timings and heat output. In the newly refurbished premium flats, you have the ability to adjust the temperature during the pre-set times via the thermostat, which is located within the hallway or kitchen. Further to this, you can adjust the temperature of the heating (during the pre-set times) via the thermostatic valve on the side your radiator. Please see below:

Adjustable Thermostat
Thermostat located in newly refurbished flat kitchens or corridors - temperature can be altered by turning clockwise to increase temperature or anti clockwise to reduce temperature (will only take place during pre-set times).

Thermostatic Valve
Thermostatic valve located on the side of the radiator- Temperature can be altered by turning clockwise to reduce temperature or anti clockwise to increase temperature (will only take place during pre-set times).
Roeburn Hall

Three types of heaters that are used in Roeburn Hall.

Roeburn Heater Type 1

Roeburn Hall: Controls for the heater Type 1

1: Power switch is to turn the heater on or off. I = on. O = off.
2: Middle switch controls the amount of heat that is required. II = high. I = low.
3: The knob is the temperature control, maximum/minimum.

Safety notes

Ensure that the heater is not covered in any way.
No clothes are to be dried in front or on top of the heater.
The heater requires a free flow of air to function properly.

You must never place your bed in front of the heater as this can dangerously restrict the airflow to the unit.
Roeburn Heater Type 2
Roeburn Hall: Controls for the heater Type 2
1: Power switch is to turn the heater on or off. I = on. O = off.
2: Middle switch controls the amount of heat that is required. ** = high. * = low.
3: Light indicates that the heater is on.
4: The knob is the temperature control, 1-6.

Safety notes
Ensure that the heater is not covered in any way.
No clothes are to be dried in front or on top of the heater.
The heater requires a free flow of air to function properly.
You must never place your bed in front of the heater as this can dangerously restrict the airflow to the unit.

Roeburn Heater Type 3
Roeburn Hall: Controls for the heater Type 3
1: Power switch is to turn the heater on or off. I = on. O = off.
2: Controls the amount of heat that is required. II = high. I = low.
3: Light indicates that the heater is on.
4: The knob is the temperature control, 1-6.

Safety notes
Ensure that the heater is not covered in any way.
No clothes are to be dried in front or on top of the heater.
The heater requires a free flow of air to function properly.
You must never place your bed in front of the heater as this can dangerously restrict the airflow to the unit.
### Kitchen Appliances

#### Cookers

All cookers in halls are electric with four cooking rings, a grill and an oven. The controls for these are on the front panel of the cooker and are clearly marked. There are four circular switches grouped together that control the cooking rings and additional circular switches, one for the grill and one for the oven.

All cookers can be isolated by the “cooker switch” which can be found on the wall by the cooker. When the unit is not in use the switch should be in the “Off” position.

In Roeburn, Whitendale, Douglas, Derwent and Ribble Halls the “cooker switch” also supplies power to the vented extraction system that starts when a cooker control switch is operated.

The extraction system continues to operate for several minutes after the “cooker switch” has been turned off. Do not remove the grill from the extraction unit, it is an essential part of the extraction system and its removal could cause a fire alarm activation.

If any item is faulty, report it straight away on 01772 892079 or email your residences office (see page 5) or if out of office hours, call Security on 01772 892068.

#### When cooking:

- Make sure the window is open
- Make sure the oven/grill is clean
- Make sure the extractor fan is switched on and working
- Make sure the cooking utensils are fit for purpose
- Make sure no metal objects are used in the microwave
- Make sure you switch off the cooker at the wall after use
- Make sure that your cooking area is clean and grease-free
- Make sure the kitchen door is closed - never wedge or prop it open, it is a fire door
Refrigeration

All refrigeration in halls is electric and there are fridges, freezers and fridge freezers in use. All refrigeration is controlled by a rotary switch found inside the cabinet or a rotary switch on the rear of the casing. The higher the number, the cooler the cabinet. The temperature is affected by the surrounding temperature so a higher setting may be required in summer.

Be aware that when a door is opened an internal light should switch on; if it doesn’t check that the unit is switched on at the socket and report any fault on 01772 892079 or email your residences office (see page 5) or if out of office hours, call Security on 01772 892068. Keep the fridge clean and be aware of hygiene when storing cooked and raw meats. Wipe any spills and monitor use-by dates on your food items.

In the unlikely event of a suspected coolant leak from your fridge or freezer, please:

- Open the kitchen windows and leave immediately, closing the kitchen door behind you.
- Contact Security immediately from the corridor phone on Ext 2068, or your mobile on 01772 892068 and advise them of your suspicions.
- Do not re-enter the kitchen until allowed to do so by a Security Officer.

Freezers

If the temperature control is set too high the freezer will frost up over time and it will become necessary to defrost the unit. Contact your Residences Officer to arrange storage of your frozen foods whilst your freezer defrosts.

Microwave

All microwaves in halls are for re-heating food and cooking frozen meals. Some microwaves have integral grills or dual-action facilities for cooking food. The controls in use are “power settings” and “timer”. Before using any microwave check that the unit is clean and if necessary clean any splash marks from the inside of the cabinet. It is advisable to buy a plate cover for use when warming food up to prevent splashing onto the cabinet walls. Before heating frozen food through, read the instructions on the food container thoroughly, if the exact power setting advised on the food is not shown on the microwave, set to the nearest one and then set the timer accordingly. Never leave your cooking unattended when using a microwave.

Vacuum Cleaners

Vacuum cleaners in halls are the “upright” type. With a number of people using one machine the dirt collection compartment can fill up very quickly and this must be emptied on a regular basis.
A Few Important Rules

Smoking/Drugs

Smoking of any substance (including e-cigarettes) is not permitted in any University building, including the halls of residence, in compliance with the current University procedure. Do not stand close to any building whilst smoking outside, smoke may drift into rooms through open windows and cause annoyance to residents. Any student found smoking in the halls of residence will face disciplinary action under the Conditions of Residence, and you will be held responsible for your guests if they are found smoking in the halls of residence. Repeated breaches of these Conditions of Residence may mean referral under the University’s Regulations for the Conduct of Students, and the possibility of more significant sanctions.

Under the Misuse of Drugs Act, 1971, it is a criminal offence for the University knowingly to permit the use, production or supply of any controlled drugs in residences. It should be clear, therefore, that any student involved with the possession, use or supply of illicit drugs on any of our premises will face disciplinary action.

The University makes available health information regarding drugs. If you have a problem or are concerned about drugs, you should seek advice from Student Support and Wellbeing, the University Health Centre or your GP.

Noise

Excessive noise is not acceptable at any time.

You must remember that other residents may want to sleep or study. The volume of audio devices and TVs should be kept down at all times. The most common complaint in any community is noise and one anti-social person can keep the whole flat/floor awake because noise travels easily in this sort of communal building. Slamming doors and talking and shouting in the corridors can be extremely irritating to someone trying to work or sleep. If you are being annoyed by noise, and you are not comfortable in approaching the offender then you should raise the matter in the first instance with Security. If necessary, get together with other residents and make a joint complaint.

Anti-social people will face disciplinary action, and persistent offenders may be asked to withdraw from the halls or be suspended from the University. You may telephone Security anonymously regarding noise abuse from neighbours, and staff will attend to solve the problem without involving you.

The University operates a “Good Neighbour Policy.” Local people who live close to the halls of residence have a contact number for the Security Office. Students are expected to respect the privacy of the local residents and any complaints from them will be dealt with under the Conditions of Residence and the Regulations for the Conduct of Students.
Guests
You may have guests for up to three consecutive nights during any week, three times per term. Guests must be 18 years of age or older. We do not allow overnight guests during the first two weeks of term, when students are settling into their accommodation. You must obtain a guest pass from either your Residences Office or the Student Accommodation Office.

Please ensure that you have spoken to your flatmates regarding your prospective guests and that they agree to your guest having use of the services available in your flat. To obtain a guest pass bring a copy of a letter which they have signed as their agreement to your guest staying.

Guests are monitored on the frequency of their visits to ensure that constant visits do not cause friction. The Student Accommodation Service reserves the right to refuse permission. Remember that your guests are your responsibility while on site - this includes being responsible for (and paying for) any damage they may cause. Also, if you have an unauthorised guest who is discovered in the halls you may face disciplinary action and they will be told to leave the building irrespective of the time of day/night.

Overnight Absence
If you intend to stay away for more than two nights, you should, if possible, inform your flatmates and Security, leaving an address where you can be contacted. Please co-operate with this, as emergencies do occur and it is then essential that the University can contact you or account for your absence. If you change your contact details, home address, mobile telephone number, etc., please contact Student Accommodation with your new details.

Pets
All pets are prohibited in the halls of residence and we strongly advise against feeding animals which you may think are strays. This could lead to an animal being enticed away from its owner causing distress to the animal and owner. Please do not forget that you are only resident in halls for a 42 week period. If you think an animal is a stray please contact the RSPCA.

Intercoms
If your accommodation is equipped with an intercom, this enables you to determine the identity of callers at the front door of your block before going out to let them in. The automatic front door entry has been deliberately disconnected to prevent the entry of people who have not been screened by residents. In the past, several hundreds of pounds worth of damage/vandalism has taken place in the stairwells through students simply letting people into the block without checking their identity. The residents of each block are responsible for the security of that block. If any damage is caused to an intercom the residents of that flat may be charged equally for the replacement.
**Damages**

Any damage to your residence should be reported immediately. Cases of unreported and un-attributable damage to communal areas will be charged to residents in that area. Repairs to any damage caused by you will be charged to you, so the University doesn’t suffer any financial loss. The communal areas will be inspected when you vacate your room - this could be after a room transfer, withdrawal from the University or at the end of contract, and any issues found that could involve a recharge will be notified to all students living in that flat.

All flat occupants have a responsibility to report communal damage as it may occur.

When the communal areas are inspected after your departure, you will be notified of any charges via your personal email address and appeals against all charges must be submitted to your Residence Officer via email.

Any appeal should be submitted by the 31 August of the academic year in which the charge was made. Any appeals made after this date will not be considered.

**Pendle Hall Toilet Cisterns**

Please be aware that the toilet cisterns in Pendle Hall are not suitable for the placing of disinfectant blocks into the water. If you do attempt to do this you could damage the lid assembly and you may be recharged for the damage caused or for the replacement of the cylinder if any damage caused cannot be repaired.
Respect for your Flat and Hall

Posters
Each year we find that some students attach self-adhesive hooks, posters, etc., using blue tac, white tac, drawing pins, sticky tape as well as other self-adhesive items which inevitably causes damage to the painted wall surfaces.

Therefore we strongly advise the following:
- Do not attach any items to the paintwork by any means.
- Use white-tac to attach to wooden surfaces only.
- Use drawing pins to attach to notice boards.
- Do not attach posters to walls - this is likely to cause damage to the paintwork and if this occurs you will be charged for repainting costs.

Ball Games
Ball games are not permitted, either inside or outside the halls of residence, whether a sign is displayed or not.

Litter
All students are expected to behave responsibly and to avoid causing or adding to litter on the campus and public thoroughfares. In the halls of residence students are expected to dispose of litter/rubbish in a proper manner via the correct containers that are placed by their accommodation, including recycling containers.

There should only be one bag of rubbish in any kitchen at any time and any full bag of rubbish must be disposed of as soon as is practicable. Waste and Recycling staff will report the location of any domestic refuse that is found discarded outside accommodation blocks, and culprits will face disciplinary action under the Conditions of Residence.
Items not Permitted in Halls

Not permitted in bedrooms

- Heaters
- Any portable gas appliances
- Microwave ovens
- Plug-in cookers / hobs
- Deep fat fryers
- BBQ trays
- Washing machines
- Driers
- Rice cookers
- Toasters
- Kettles
- Fridges
- Freezers
- Candles, incense sticks, tea-lights, fireworks or any other items operating with a flame
- Nitrous Oxide or pressurized gases of any type, in cylinders of any size and type, except for prescribed medical use
- Any substance which is capable of producing a psychoactive effect in a person who consumes it, and is not an exempted substance under the Psychoactive Substances Act 2016

Not permitted in communal areas

- Heaters
- Any portable gas appliances
- Deep fat fryers
- Washing machines
- Driers
- Plug-in cookers / hobs
- BBQ trays
- Candles, incense sticks, tea-lights, fireworks or any other items operating with a flame
- Nitrous Oxide or pressurized gases of any type, in cylinders of any size and type, except for prescribed medical use
- Any substance which is capable of producing a psychoactive effect in a person who consumes it, and is not an exempted substance under the Psychoactive Substances Act 2016
Contractual / Halls Information

Changing your Accommodation and Moving Rooms Within University Accommodation

If you have any queries about the terms of your contract then please ask the accommodation team. Below are the answers to some of the most frequently asked questions:

There are a number of reasons why you may want to change rooms and although we accommodate these requests wherever possible, it obviously depends on whether there are other rooms available. All room changes must be approved in writing and are subject to an administrative levy of £25. Students who have unauthorised debts with the University will not be allowed to change their accommodation until their payments are up to date. Please note that unauthorised transfers will incur a financial charge.

To request a room move please follow this link and fill out your details: uclan.ac.uk/moverequest

Leaving University Accommodation to Move into the Private Sector

You have signed a legally binding contract of accommodation. This means:

- That you can move within the different types of University Accommodation if vacancies exist
- You cannot normally move out of University Accommodation to the Private Sector before the end of your contract unless you find a replacement to take your room who is not currently a resident in University Accommodation and is acceptable to the University Accommodation Service

- If you do move out without finding an approved replacement you will still be liable for the total charge for your University accommodation. You can visit the Student Accommodation Service if you still want to move to the Private Sector, and we will do our best to assist you to find a replacement.

If you wish to be released from your accommodation contract you should be aware of the following:

- There is no guarantee that a replacement tenant will be found
- The onus to find a replacement student tenant is yours - the replacement student tenant must be acceptable to the University
- The University prioritises rooms where no student is contracted, this means other rooms may be re-let before yours
- At certain times of the year new students arrive on campus unexpectedly, if we have your room key we are more likely to be able to re-let the room to these students, thus releasing you from your obligations. The decision to leave your key with us before the end of your accommodation contract, however, is entirely up to you, and you will still be able to change your mind and recollect your key to access your room until an acceptable replacement is found or your contract terminates.
- If you return your key and we have not already re-let your room you are free to make arrangements to recollect your key by telephoning the accommodation office on 01772 895636 during normal office hours. Please refer to the Conditions of Residence.
Withdrawal from the University
Your attention is drawn to the Conditions of Residence:
Option to terminate if not a student
(i) The University grants the Student the right to occupy the Premises in
order to enable him/her to attend the University as a student. The Student
occupies the Premises under Schedule 1 Paragraph 8 of the Housing Act
1988 and not by virtue of any assured tenancy. If the Student fails to enrol
with the University or fails to take occupation of the Premises or ceases to
be a student of the University (for whatever reason) the University may bring
the Accommodation Contract to an end by giving at least 28 days' notice in
writing to the Student.
(ii) If the Student withdraws from the University he/ she should provide written
notification of this to the Student Accommodation Service as soon as
possible. On receipt of this written notification, the Accommodation Contract
shall terminate:
   (a) 28 days after the date of written notification of withdrawal given by the
Student to the Student Accommodation Service or, if later,
   (b) the date on which all of the keys or means of electronic entry for the
Premises are returned to the Student Accommodation Service.
Termination is conditional upon verification of the Student's withdrawal from
the University. The Student shall remain liable for the Total Charge up until the
termination of the Accommodation Contract or if later, the date on which all of
the keys and/or means of electronic entry for the Premises are returned to the
Student Accommodation Service.

Summer Vacation Residence
During the summer vacation major refurbishment and maintenance
programmes take place in the halls of residence. Halls are also used for
conference guests in order to help keep the rents low for students. With this
in mind if you require accommodation during the summer vacation you must
re-apply by the required date. We do advise current student residents of the
deadline date for applying for summer accommodation as availability is limited.
You may not be able to retain your term-time room and if this is the case you will
be transferred to other residences provided there is availability. The Conditions
of Residence and University Regulations continue to apply during the vacation.
Students who have unauthorised debts with the University will not be allowed to
take up vacation residence.

It is your responsibility to inform the Student Accommodation Service, in writing,
that you have withdrawn from the University.
**Holidays / Vacations**

When vacating your accommodation for a period of time, take all valuables with you. Inform Security of a telephone number you can be contacted on in case of need.

**Departure / End of Tenancy**

The contract you signed when you agreed to take on the room will stipulate the date on which your contract expires and you must vacate the property on or before that date. Towards the end of the summer term, you will receive an invitation to complete our electronic check out procedure. This will advise you where you need to return your keys and access card to.

At the end of your contract, or whenever you move out of residence, your key and electronic card must be returned to either the Student Accommodation Service or to the Security Lodge in Harrington Building.

If you fail to return your key and electronic card by the end of the contracted period you may face a continuing charge for your room or be charged for replacement locks and/or replacement keys/electronic cards.

If you fail to vacate your room at the end of your accommodation contact the University may take legal action against you.

When returning your key and electronic card you can ask for a receipt that has a unique reference number printed on it. Please quote this number in any communication re keys and electronic cards.

The accommodation must be cleaned prior to your departure. Failure to do so will result in a charge for additional cleaning together with an administrative fee.

There should be no deterioration of the property (including communal areas) beyond fair wear and tear. Any deterioration caused by neglect or malicious damage will be charged for.

Important: When your flat/accommodation is vacated permanently at the end of the accommodation contract, please make sure all fridges and freezers are switched off/unplugged and the fridge and freezer doors are left open.

In the past fridge/freezer units have been turned off with food still inside them, or empty fridge/freezer units have been left with their doors closed, and the units have been ruined by the rotting food or mould. If any unit is found in this condition, the cost of a replacement fridge/freezer will be charged to the appropriate residents of the flat concerned.
Accommodation Charges

The residential charge entitles you to stay in this room for the dates stipulated on your Accommodation Contract. If you require accommodation beyond this time you must contact the UCLan Student Accommodation Service, Students’ Union Building Room 013, University of Central Lancashire, 24 Fylde Road, Preston PR1 7BS.

Any student involved in breaching the Conditions of Residence may not be considered for future UCLan accommodation or extensions to existing contracts. The fees, per person, for your accommodation are as stated in the Accommodation Contract. These fees are inclusive of electricity, water and gas. You should have made arrangements for payment of accommodation fees prior to arrival. If you have any queries regarding payment, please contact the Accommodation office on 01772 892526.

If you feel that you have a financial problem that will not allow you to meet your accommodation payment deadlines, you must contact us, sooner rather than later. It may be possible to re-arrange your payment schedule.

Telephone Student Accommodation: 01772 892529
or Email: StudentAccommodation@uclan.ac.uk

There is advice on avoiding student debt and this can be found at: uclan.ac.uk/the-i

Keys and Key Cards

Electronic locks are fitted to the entrance doors of the accommodation blocks and launderettes. At the start of your tenancy you will be issued with a key and electronic swipe card which carries the encoded identity of your flat and room. Any lost keys and electronic cards must be reported immediately to Student Accommodation during office hours and to Security at Harrington Building at any other time. Depending on the circumstances, keys and electronic cards are replaced for a charge of £25, and £5 respectively.

Keys are not able to withstand being thrown repeatedly to the ground from upper floor windows to give guests access to the halls. The electronic cards are provided in a robust card holder and the card can be damaged if it is removed from this holder and bent. Replacement card holders issued during the academic year will be recharged at £1.50. When permanently vacating your room, keys and electronic cards should be returned to the Accommodation Office or to Harrington Security Lodge.

Failure to return the key and electronic card which was programmed for your personal use may result in a continuing charge for your room and a charge for your key, electronic card and a replacement lock. All electronic cards are checked upon return and any found not to be working because of damage will be charged at £5 per card to that student’s account. Whilst all issued keys and electronic cards are matched together before issue it is not unknown for students to return cards other than the one with which they were issued.

Please note that if you return a card that does not contain the I.D. of the card that was originally issued to you, that card will be recorded as returned against the student whose address information is recorded in that card. Staff and authorised contractors are instructed to lock your room in your absence, even if your room was open when they entered it, so please keep your key and electronic card with you at all times.
Damages / Replacement Charges

Damages in individual flats are charged to all occupants unless a resident admits sole responsibility. Damages in individual study bedrooms are charged to the occupier. Damages caused in stairwells can be charged to the entire block. The following list is a guide, is not exhaustive and damages will be recharged according to the actual costs (inclusive of labour and VAT) that have to be met by the University at the time.

**Labour Charges**
- Admin charge, per item: £30
- Electrician, per hour: £40
- Plumber, per hour: £30
- Joiner, per hour: £30
- Heating Engineer, per hour: £40
- Cleaning per hour: £30 (minimum 0.5 hour charge)

Call out charges may also be charged when trades people have to attend incidents out of office hours.

### Response Times for Repairs

#### Category A
**Emergency - Immediate Response**

**Type of Repair**
- All gas leaks
- Dangerous structural faults
- Dangerous electrical faults
- Major water leaks which cannot be turned off
- Major fire, flood, lightning and storm damage
- A need to gain entry when no other access available
- Blocked drains - depending on problem, may be emergency to 14 days.
- Loss of electrical power**
- Burglar alarm that won’t turn off
- Any problems which pose immediate major danger to health and safety of residents
- Other emergency works not covered above

**N.B. These repair priority categories do not include areas which are the responsibility of Statutory Utility Providers (eg Gas / Water / Electricity).**

#### Category B
**Response within 24 hours**

**Type of Repair**
- Insecure flat entrance door
- If replacement door required see Category F. All efforts will be made to effect a temporary repair in the meantime.
- No Mains Water**
- Broken external window (where security breached)
- Board within 24 hours.
- Broken internal glazing (eg door or inner pane of double glazing)
- Glazing will be made safe. For replacement see Category F.
- No heating (in Winter)
- If problem cannot be repaired within 24 hours, then portable heaters may be supplied.
- Faulty WC (if only one in residence)
- Major leaks that can be turned off
- Faulty light (when only light in room)
- If repair cannot be effected within 24 hours, then desk lamp may be provided.
- Faulty freezer
- Whilst awaiting repair/ replacement, then food to be transferred to Housekeepers’ freezer.

#### Category C
**Response within 48 hours or, if after 4pm on Friday, on next working day**

**Type of Repair**
- Defective main cooker (i.e. all hobs and oven not working)
- If repair or replacement is not possible within 48 hours, then a portable cooker and/or a microwave to be supplied.
- No hot water (when affecting sole bathing supply)
- Insecure block entrance / bedroom doors
- Minor leaks
- Lift failure (when occupants not trapped and access for wheelchair users unaffected

#### Category D
**Response within 7 days**

**Type of Repair**
- Replacement showers / shower valves
- Replacement of faulty freezers
- Replacement of faulty fridges
- Faults to part of main cooker (eg a hob or oven not working)

Complaints and / or Suggestions

You should address any complaints or suggestions you have regarding the service in writing or in person to the Student Accommodation Service, University of Central Lancashire, Preston, PR1 2HE or email StudentAccommodation@uclan.ac.uk

For further information about the UCLan complaints procedure see: uclan.ac.uk/legal/academic-quality

We will endeavour to investigate and resolve any complaint that is made within an agreed timescale with the complainant. If we are unable to resolve any complaint there is a right of appeal within the University complaints procedure and if necessary referral can be made to external bodies, including the Office of the Independent Adjudicator.
