Guidance Notes for Students

PLEASE COMPLETE THE FORM IN FULL

Students who can demonstrate that they have the ability to benefit from Degree level study will be allowed to move on to a suitable Degree programme. This DOES NOT mean that students have the automatic right to move on to a programme of their choice. The decision to allow a student to take up a place on a Degree programme is an academic judgement that will be made by Course/Subject leaders in the light of the student's performance to date and reports from Foundation Degree/HND tutors.

The Moving on Application form should be emailed to the Admissions Office: AdmissionsTeamA@uclan.ac.uk. Alternatively, the form may be posted to Admissions Office, University of Central Lancashire, Preston, PR1 2HE.

Criminal Convictions

The University of Central Lancashire is a diverse environment, which brings people into contact with each other in a wide variety of ways. The University community includes students who are children (those under the age of 18) and vulnerable adults. We have a duty to safeguard these groups of individuals, as well as a duty to provide a safe environment in which our staff can work and all of our students can study and where relevant, live. We therefore ask all applicants who have accepted a place with us if they have relevant unspent criminal convictions obtained in the UK or other jurisdiction. This is so that we can consider the implications of any convictions, assess any risks to you or others within the University environment and determine whether we can reasonably manage any risks to enable you to take up your place here. Having a relevant unspent conviction therefore is not an automatic barrier to taking up your place on your chosen programme. Therefore, if you accept an offer the University will ask you to disclose details about relevant unspent convictions and supporting information.

Qualifications

In order to give your application full consideration we will require all your academic qualifications to date. You should indicate the Foundation Degree/HND subject that you are on (if applicable), list the modules studied and grades obtained during the last academic session, and list the modules currently being studied.

Course Choice

You should indicate strictly in order of preference, your requested Degree route(s).
