

BOOST YOUR BUSINESS ENTRY INTO CHINA

7th China (Shenzhen) Innovation and
Entrepreneurship Competition 2015

4th China Innovation and Entrepreneurship
Competition 2015

Win **financial** and **commercial support** to
establish your high-tech business idea in China

UK companies are invited to submit entries to this year's National Innovation and Entrepreneurship Competition. Winners of the UK stages of the competition will travel to China to present their business idea to potential investors in Shenzhen and if successful, also in Beijing.

Eligibility

For team entries and companies not registered yet in China:

The company must have at least three employees or team members.

A company must have innovative research outcomes and a business plan.

For entrants with a China registered business the requirements are:

Candidates must be engaged in R&D, manufacturing, production and service of high-tech products; must have secured IP; must not be currently public listed; innovative and growing SMEs engaged in high-tech industry; established for less than 5 years (some exemption could be given for some specific industries such as bio-medicine); sales value of last year less than RMB150 million. (approx).

Competition Stages

Deadline - 25th June 2015

UK Finals Event - 30th July 2015

Shenzhen and Beijing Finals - August/September 2015, dates tbc
