

## **Electronic Prescriptions UCLan**

When you are going home on leave please ensure that you change your nominated Pharmacy to the area you will be located at. If you don't do this then your Prescription will still be sent electronically to your nominated Pharmacy in Preston.

There are several ways you can change your nominated Pharmacy. You can go into the Pharmacy you wish to use, and ask them to nominate your Prescriptions to them PRIOR to placing your prescription request. Or you can contact the Practice on **01772 214800** and ask a member of staff to amend your nomination to another Pharmacy.

If the prescription is sent to a Pharmacy in Preston and you are not in the area to collect, there will be a delay in retrieving the Prescription and you will be asked to contact the Pharmacy directly to obtain your prescription back.

When returning to UCLan, please ensure you change your nomination back to your local Pharmacy in Preston by either asking at the Pharmacy to re nominate you or asking a member of the medical centre to action this on your behalf.

Thank you for your cooperation
