

WebDAV (Internet File Access) Browser

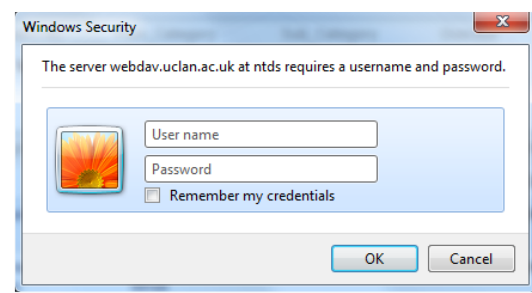

You can get **read** access to files saved onto the UCLan Network via your web browser as follows:

1. Enter the following URL in the **Internet or network address: box:**
https://webdav.uclan.ac.uk followed by your username – e.g.
https://webdav.uclan.ac.uk/another

2. Enter your UCLan username and password.

Please note: We do not recommend that you use **remember my credentials** even on your own computer

3. Select **OK**
4. You will now have access to your UCLan files and folders.
